

Country Club of Halifax Junior Golf 2017

Dear Friends,

Thank you for your interest in the junior golf program at the Country Club of Halifax. Last year saw many exciting moments, as a fresh class of dedicated junior golfers took to the course to learn the sport of a lifetime. Once again we look forward to continuing a long-standing tradition of junior golf instruction here at Halifax.

This year's program is aimed at creating golfers for life by introducing young people to the game by creating a curriculum that teaches the kids many aspects of the game of golf.

One of our top priorities as a professional staff is growing the game of golf. We recognize our juniors as the next generation of great players, and the future of the game. Therefore we take the responsibility of instructing them very seriously. We emphasize a fun learning environment that will teach juniors PRIDE.
